Ladies

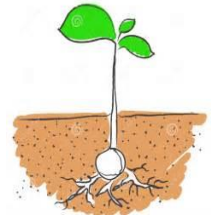

Please blot your lipstick before receiving the Eucharist from the chalice. We are having trouble getting lipstick stains out of our linens. Many thanks from the sacristans!

Word, Eucharist, Life

Fifteenth Sunday in Ordinary Time

*Matthew 11
Zechariah 9
Psalm 145
Romans 8*

The Word is given as a seed
to grow in the hearts
of those who believe and receive
the seed with thanksgiving
The Word is given to be shared
within the community of faith
where it is destined to bear fruit
by the grace of the Holy Spirit
As the Word grows in the lives
of the faith-full
the Spirit transforms
hearers of the Word
into disciples and directs them
to go out into the world
to share the fruit produced
In the midst of the assembly
at the Eucharist
the Word being heard
is given the power of Christ's
death and being raised
to form us into the living Body
proclaimed in our communion
the Body and Blood of Christ
Healing and reconciliation
peace and loving concern for others
embodied in the Good News
are also to be proclaimed
as the activity of God's grace
made visible and tangible
for all destined to experience
the life and embrace of Jesus
Such is the fruit of the seed sown
by God in us who follow the One
who is coming again

May She Rest in God's

Eternal Embrace

Lost & Found

Have you lost something at the church in the past few months? We have a small 'found' collection in the sacristy.

Please talk to Frances after either morning Mass or email frances.ginski@stpat.cdom.org with a description of the item lost.

Sounds Like Fun!

The Cognition and Aging Lab at Rhodes College is recruiting adults, aged 57 and above, to participate in ongoing studies investigating age-related changes in cognitive abilities. The majority of our studies focus on how healthy aging affects memory, attention, and language. A typical study involves coming to the laboratory on Rhodes' campus for one or two hours to perform various cognitive tasks, such as learning names and faces. Participants are compensated for their time at \$10/hour. If you are interested in participating or have any questions, please call the Rhodes College Cognition & Aging Lab: (901) 843-3257.
