Prayer for Ukraine

Mother of God, to your Immaculate Heart we entrust and dedicate all humanity, the Church, and all believers, especially Russia and Ukraine. Please intercede amidst our human weaknesses. Rain down compassion and offer forgiveness to Putin and Russian leaders for their crimes against humanity. Give them hearts of mercy for a peaceful end to this unjust war. Ease the suffering of the Ukrainian people, banish all evil, and light this inconceivable darkness with your unconditional love. Amen

Who We Are

Rise Against Hunger is growing a global movement to end hunger by empowering communities, nourishing lives and responding to emergencies. Targeting remote, last-mile communities within hunger pockets designated serious or higher by the Global Hunger Index, we work with local leaders to harness the strengths of their communities and tackle their own food and nutrition security challenges with agency, dignity and resilience.

PATHWAYS TO *end hunger*

EMPOWERING COMMUNITIES

Our **Empowering Communities** pathway promotes improvements in agricultural production and rural livelihoods to help individuals increase their incomes and access to food.

NOURISHING LIVES

While long-term food security takes root, our **Nourishing Lives** pathway provides nutrition and encourages education through school feeding, vocational training and health clinics.

RESPONDING TO EMERGENCIES

From droughts to floods, in conflict zones and political crises, the **Responding to Emergencies** pathway deploys food and aid in communities when it is needed most.

GROWING THE MOVEMENT

We recognize that hunger will not end without **Growing the Movement**, and engaging hundreds of thousands of volunteers and advocates each year to build awareness and activation.
