How to Be an Antiracist
By Ibram X. Kendi

From the publisher:
"Ibram X. Kendi's concept of antiracism reenergizes and reshapes the conversation about racial justice in America--but even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. Instead of working with the policies and system we have in place, Kendi asks us to think about what an antiracist society might look like, and how we can play an active role in building it."

Prayer for Ukraine

Mother of God, to your Immaculate Heart we entrust and dedicate all humanity, the Church, and all believers, especially Russia and Ukraine. Please intercede amidst our human weaknesses.
