MISSION STATEMENT

The Mission of St. Patrick Catholic Community is to proclaim and live the Gospel message of unconditional love, healing, and reconciliation, through prayer, celebration, and action on behalf of justice, as a sign of hope for all God's people.

PARISH NEWS

Welcome to Saint Patrick Parish, a Roman Catholic community that gathers day by day, week by week, to be the hands and feet of Jesus Christ. Our close-knit and diverse parish family has been serving our neighborhood since 1866. Young, old, poor, rich, various ethnic origins and differing backgrounds gather to proclaim and live the Gospel message of unconditional love, healing, and reconciliation through prayer, celebration, and action on behalf

of justice as a sign of hope for all God's people. From our lively music to our Catechesis of the Good Shepherd formation program; from our commitment to liturgy being truly "the work of the people" to plentiful social outreach opportunities through our St. Patrick-Champion Outreach Center, St. Pat's continues to be a vibrant community of faith that is centered in prayer and action that extends far beyond the walls of our buildings.

Saint Patrick is the third oldest parish in Memphis following St. Mary in The Pinch and St. Peter downtown. Our community was founded to serve the growing number of working-class Irish families in the south Memphis neighborhoods.

Despite sickness and tragedy of the Yellow Fever Epidemics in Memphis, the community continued to grow. In 1904, construction on a new Romanesque church building began. The parish served as a "mother church" to two new parishes, St. Thomas in Soulsville and Immaculate Conception in Central Gardens during this time. To honor our Irish heritage, the co-patrons of Ireland, Saint Patrick and Saint Brigid are featured on either side of the Holy Family in the apse above the Sanctuary. Our pipe organ is the oldest working pipe organ in Memphis. Completed and dedicated in 1905 by the Bishop of Nashville, Right Reverend Thomas S. Byrne, our gathering space stands today as a testament to not only the enduring spirit of our community, but also our charism of accompanying the people of God through the tests of time. The St. Patrick campus resides on the ancestral homeland of the Quapaw Nation.

In 1954, St. Patrick welcomed the Paulist Fathers, who served our community until 2013. Our time with the Paulists during the Civil Rights Movement, drastic changes to our neighborhood, and changes within the Catholic Church at large imbued our community with our famous radical welcome, commitment to justice and solidarity, and a call to action to love God and each other. As a result of the missionary spirit of the Paulist Fathers, many of our traditions such as an empowered laity, the Good Friday Neighborhood Stations of the Cross, Noyze in the Hood caroling, the first LGBTQ Catholic ministry in Memphis, and various outreach ministries that still root us in place and faith began.

Inspired by the Holy Spirit and Vatican II, St. Patrick became a full-time gathering space for the community and worship and not just a space for Sunday obligation. Taking note from the global Church and the Acts of the Apostles, we choose to forego kneeling and commit to the active act of standing shoulder-to-shoulder in communion with God and each other during Mass. Except during the solemn seasons of Advent and Lent, we clap during the Great Amen and hold hands during the "Our Father." We believe Mass is a celebration, Mass is a feast, Mass is a chance to share in the glory of God together actively and with joy. Some of our members still kneel and we encourage everyone to do what connects them with God and makes them comfortable.

We heartily welcome all who come through our doors and are committed to accompanying each other on all journeys of faith.

Anointing of the Sick at all Masses on Sunday, February 9th

Fr. Dexter will be anointing the sick at all Masses on Sunday, February 9th.

Why Anointing of the Sick?

Are any among you sick? They should call for the elders of the Church and have them pray over them, anointing them with oil in the name of the

Lord. The prayer of faith will save the sick, and the Lord will raise them up; and anyone who has committed sins will be forgiven. (James 5:14-15) We do this: to celebrate faith in Christ's healing power, to strengthen the sick person to endure suffering, to witness the hope that the sick person will return to God.

If you or someone you know wants to be attend one of these Masses or be anointed, please contact Julie Boland (in the Office) or Hugh Taylor hughtylr@yahoo.com

More About World Day of the Sick

The World Day of the Sick is an awareness day, or observance, in the Catholic Church intended for "prayer and sharing, of offering one's suffering for the good of the Church and of reminding everyone to see in his sick brother or sister the face of Christ". The day was instituted on 13 May 1992 by Pope John Paul II and is celebrated on 11 February, also the memorial of Our Lady of Lourdes.

The sick, the vulnerable and the poor are at the heart of the Church; they must also be at the heart of our human concern and pastoral attention. May we never forget this! And let us commend ourselves to Mary Most Holy, Health of the Sick, that she may intercede for us and help us to be artisans of closeness and fraternal relationships. – Pope Francis (2024)

If you are interested in participating in the St. Patrick Ministry with the Sick, here are two opportunities:

- Saturday, February 15th at 10:00am Prayer Ritual for the Sick in the Atrium (Annex)
- Saturday, March 15th at 10:00am Planning Meeting for the Ministry with the Sick in the Annex (Reading Room).

Transit Equity Day What Would Rosa Parks Do?

Transit Equity Day commemorates the birthday of Rosa Parks and honors her contributions to transit equity and civil rights in the United States. We have organized this Transit Equity Day event to update you on MATA, and also to learn about your experiences and desires for transit. This program will be **Saturday, February 1, 2025**; from **9:30-11:30am** at the **Ed Rice Community Center, 2935 N Watkins Street** in Memphis.

Our program titled, "Transit Equity Day- What Would Rosa Parks Do?" will have a brief film about Ms. Rosa Parks plus some personal comments about the history, followed by an update on the current status and plans for transit service in Memphis.

Selected bus riders, bus operators, and business interests will be panelists to comment on their experience, and what it means to depend on transit. They will give short presentations and then will respond to questions submitted by the public. Ms. Bacarra Mauldin of MATA is also on our agenda to share some of her personal experience with transit equity in Montgomery, Alabama.

PARISH NEWS

Recently, on Holy Family weekend at the end of December, our Catholic Bishops of Kentucky and Tennessee, the Metropolitan Province of Louisville, released a joint statement on the Catholic Church's long-standing call for comprehensive Immigration Reform. The statement was shared on our Social Media platforms, Website news scroll, and Office of the Bishop webpage. In case you missed seeing the statement, due to the Christmas Season or other reasons, we decided to send it directly.

Note: Our Metropolitan Province of Louisville includes: the four Dioceses of Kentucky - Louisville (Archdiocese), Covington, Lexington, and Owensboro, and three Dioceses of Tennessee - Memphis, Nashville, and Knoxville.

Statement of the Bishops of the Province of Louisville on the Feast of the Holy Family

December 29, 2024

To our brothers and sisters in Christ,

As we reflect upon the Holy Family of Jesus, Mary, and Joseph and recall during this time their flight into a foreign land as migrants, the ongoing heightened discussion surrounding our migrant community has engendered fear and uncertainty. It is also a challenging time for the whole Catholic Church in the United States which has long included migrants from various parts of the world. The Catholic Bishops of Kentucky and Tennessee, together as the Metropolitan Province of Louisville, wish to first and foremost express our prayerful support and solidarity to our immigrant sisters and brothers. Please be assured that you are not forgotten and know that the Church stands with you. You and your families are a cherished gift to the world.

We pledge that the Catholic Church in Kentucky and Tennessee will continue to accompany and serve migrants with every possible resource. We will continue to advocate for your just treatment and dignity as our Catholic Social Teaching instructs in every way that we are able to do so.

The Church recognizes the right of individuals to migrate to sustain their lives and the lives of their family members. The Church also recognizes the responsibility of nations to control their borders and create migration policies. However, the Church teaches that this right is not unlimited and must be exercised with respect for the human dignity of each person and the common good.

The Church in the United States has long advocated for comprehensive immigration reform that includes pathways to citizenship, family reunification, and protections for those fleeing persecution. It emphasizes the need for just and humane treatment of all migrants, including access to legal protections, and due process. The Church recognizes that basic human rights are based on the dignity of being created in the image and likeness of God.

PARISH NEWS

We invite the whole Catholic community in our states and throughout the nation to learn more about the plight of immigrants, to understand the values that form our Catholic Teaching on the matter, and to join us in advocating for just and comprehensive laws and policies that respond to the requirements of human rights and dignity and reflect the desire for the common good in our nation. We stand ready to be a part of bringing this about.

Let us all continue to pray for our nation that we might come together to seek answers and constructive action in regard to these concerns.
