MISSION STATEMENT

The Mission of St. Patrick Catholic Community is to proclaim and live the Gospel message of unconditional love, healing, and reconciliation, through prayer, celebration, and action on behalf of justice, as a sign of hope for all God's people.

PARISH NEWS

Welcome to Saint Patrick Parish, a Roman Catholic community that gathers day by day, week by week, to be the hands and feet of Jesus Christ. Our close-knit and diverse parish family has been serving our neighborhood since 1866. Young, old, poor, rich, various ethnic origins and differing backgrounds gather to proclaim and live the Gospel message of unconditional love, healing, and reconciliation through prayer, celebration, and action on behalf

of justice as a sign of hope for all God's people. From our lively music to our Catechesis of the Good Shepherd formation program; from our commitment to liturgy being truly "the work of the people" to plentiful social outreach opportunities through our St. Patrick-Champion Outreach Center, St. Pat's continues to be a vibrant community of faith that is centered in prayer and action that extends far beyond the walls of our buildings.

Saint Patrick is the third oldest parish in Memphis following St. Mary in The Pinch and St. Peter downtown. Our community was founded to serve the growing number of working-class Irish families in the south Memphis neighborhoods.

Despite sickness and tragedy of the Yellow Fever Epidemics in Memphis, the community continued to grow. In 1904, construction on a new Romanesque church building began. The parish served as a "mother church" to two new parishes, St. Thomas in Soulsville and Immaculate Conception in Central Gardens during this time. To honor our Irish heritage, the co-patrons of Ireland, Saint Patrick and Saint Brigid are featured on either side of the Holy Family in the apse above the Sanctuary. Our pipe organ is the oldest working pipe organ in Memphis. Completed and dedicated in 1905 by the Bishop of Nashville, Right Reverend Thomas S. Byrne, our gathering space stands today as a testament to not only the enduring spirit of our community, but also our charism of accompanying the people of God through the tests of time. The St. Patrick campus resides on the ancestral homeland of the Quapaw Nation.

In 1954, St. Patrick welcomed the Paulist Fathers, who served our community until 2013. Our time with the Paulists during the Civil Rights Movement, drastic changes to our neighborhood, and changes within the Catholic Church at large imbued our community with our famous radical welcome, commitment to justice and solidarity, and a call to action to love God and each other. As a result of the missionary spirit of the Paulist Fathers, many of our traditions such as an empowered laity, the Good Friday Neighborhood Stations of the Cross, Noyze in the Hood caroling, the first LGBTQ Catholic ministry in Memphis, and various outreach ministries that still root us in place and faith began.

Inspired by the Holy Spirit and Vatican II, St. Patrick became a full-time gathering space for the community and worship and not just a space for Sunday obligation. Taking note from the global Church and the Acts of the Apostles, we choose to forego kneeling and commit to the active act of standing shoulder-to-shoulder in communion with God and each other during Mass. Except during the solemn seasons of Advent and Lent, we clap during the Great Amen and hold hands during the "Our Father." We believe Mass is a celebration, Mass is a feast, Mass is a chance to share in the glory of God together actively and with joy. Some of our members still kneel and we encourage everyone to do what connects them with God and makes them comfortable.

We heartily welcome all who come through our doors and are committed to accompanying each other on all journeys of faith.

Fasting and Abstinence during Lent

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence for Catholics. In addition, Fridays during Lent are obligatory days of abstinence.

The norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal.

The norms concerning abstinence from meat are binding upon members of the Catholic Church from age 14 onwards.

Those that are excused from fast and abstinence outside the age limits include the physically or mentally ill including individuals suffering from chronic illnesses such as diabetes. Also excluded are pregnant or nursing women. In all cases, common sense should prevail, and ill persons should not further jeopardize their health by fasting.

Bringing Lent to Life With CRS Rice Bowl

Fifty years ago, Catholics in Allentown, Pennsylvania, organized to bring help to families facing famine in Africa. That help came in the form of a small cardboard box, marking the beginning of "Operation Rice Bowl." Today, as we celebrate CRS Rice Bowl's 50th anniversary, the program is a tradition for millions of Catholics in the United States who continue to answer the Gospel call, supporting families experiencing hunger around the world.

Through CRS Rice Bowl, faith communities throughout the United States put their faith into action through prayer, fasting and almsgiving. Lenten alms donated through CRS Rice Bowl support the work of CRS in more than 100 different countries, including our own.

CRS has already experienced cuts in services and is expecting more massive cuts — as much as 50% this year — because of the draconian reductions in U.S. foreign assistance ordered by the Trump administration. Please be generous.

Pick up your Rice Bowl today and return it on Holy Thursday.

MICAH ISSUES CONVENTION

St. Patrick's: Here is an opportunity to participate in "action on behalf of justice as a sign of hope for all God's people!"

St. Patrick Catholic Church is a partner organization of MICAH, Memphis Interfaith Coalition for Action and Hope, and has been since its beginning seven years ago. We have worked with MICAH in several ways, particularly in ensuring that our neighbors displaced from the former Foote Homes were welcomed into the new Foote Park at South City.

The upcoming MICAH Issues Convention will decide the direction of the organization for the next 5-6 years, and St. Pat's needs to be at the table and part of the deliberation. Please save the date, March 23, for the Issues Convention! More information from your MICAH core team at St. Pat's will follow.

in action and hope!*
